

105TH CONGRESS  
2D SESSION

# S. 1976

---

## AN ACT

To increase public awareness of the plight of victims of crime with developmental disabilities, to collect data to measure the magnitude of the problem, and to develop strategies to address the safety and justice needs of victims of crime with developmental disabilities.

1        *Be it enacted by the Senate and House of Representa-*  
2        *tives of the United States of America in Congress assembled,*

3        **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Crime Victims With  
5        Disabilities Awareness Act”.

1 **SEC. 2. FINDINGS; PURPOSES.**

2 (a) FINDINGS.—Congress finds that—

3 (1) although research conducted abroad dem-  
4 onstrates that individuals with developmental dis-  
5 abilities are at a 4 to 10 times higher risk of becom-  
6 ing crime victims than those without disabilities,  
7 there have been no significant studies on this subject  
8 conducted in the United States;

9 (2) in fact, the National Crime Victim's Survey,  
10 conducted annually by the Bureau of Justice Statis-  
11 tics of the Department of Justice, does not specifi-  
12 cally collect data relating to crimes against individ-  
13 uals with developmental disabilities;

14 (3) studies in Canada, Australia, and Great  
15 Britain consistently show that victims with develop-  
16 mental disabilities suffer repeated victimization be-  
17 cause so few of the crimes against them are re-  
18 ported, and even when they are, there is sometimes  
19 a reluctance by police, prosecutors, and judges to  
20 rely on the testimony of a disabled individual, mak-  
21 ing individuals with developmental disabilities a tar-  
22 get for criminal predators;

23 (4) research in the United States needs to be  
24 done to—

1 (A) understand the nature and extent of  
2 crimes against individuals with developmental  
3 disabilities;

4 (B) describe the manner in which the jus-  
5 tice system responds to crimes against individ-  
6 uals with developmental disabilities; and

7 (C) identify programs, policies, or laws  
8 that hold promises for making the justice sys-  
9 tem more responsive to crimes against individ-  
10 uals with developmental disabilities; and

11 (5) the National Academy of Science Committee  
12 on Law and Justice of the National Research Coun-  
13 cil is a premier research institution with unique ex-  
14 perience in developing seminal, multidisciplinary  
15 studies to establish a strong research base from  
16 which to make public policy.

17 (b) PURPOSES.—The purposes of this Act are—

18 (1) to increase public awareness of the plight of  
19 victims of crime who are individuals with develop-  
20 mental disabilities;

21 (2) to collect data to measure the extent of the  
22 problem of crimes against individuals with develop-  
23 mental disabilities; and

24 (3) to develop a basis to find new strategies to  
25 address the safety and justice needs of victims of

1 crime who are individuals with developmental dis-  
2 abilities.

3 **SEC. 3. DEFINITION OF DEVELOPMENTAL DISABILITY.**

4 In this Act, the term “developmental disability” has  
5 the meaning given the term in section 102 of the Develop-  
6 mental Disabilities Assistance and Bill of Rights Act (42  
7 U.S.C. 6001).

8 **SEC. 4. STUDY.**

9 (a) IN GENERAL.—The Attorney General shall con-  
10 duct a study to increase knowledge and information about  
11 crimes against individuals with developmental disabilities  
12 that will be useful in developing new strategies to reduce  
13 the incidence of crimes against those individuals.

14 (b) ISSUES ADDRESSED.—The study conducted  
15 under this section shall address such issues as—

16 (1) the nature and extent of crimes against in-  
17 dividuals with developmental disabilities;

18 (2) the risk factors associated with victimization  
19 of individuals with developmental disabilities;

20 (3) the manner in which the justice system re-  
21 sponds to crimes against individuals with develop-  
22 mental disabilities; and

23 (4) the means by which States may establish  
24 and maintain a centralized computer database on

1 the incidence of crimes against individuals with dis-  
2 abilities within a State.

3 (c) NATIONAL ACADEMY OF SCIENCES.—In carrying  
4 out this section, the Attorney General shall consider con-  
5 tracting with the Committee on Law and Justice of the  
6 National Research Council of the National Academy of  
7 Sciences to provide research for the study conducted under  
8 this section.

9 (d) REPORT.—Not later than 18 months after the  
10 date of enactment of this Act, the Attorney General shall  
11 submit to the Committees on the Judiciary of the Senate  
12 and the House of Representatives a report describing the  
13 results of the study conducted under this section.

14 **SEC. 5. NATIONAL CRIME VICTIM'S SURVEY.**

15 Not later than 2 years after the date of enactment  
16 of this Act, as part of each National Crime Victim's Sur-  
17 vey, the Attorney General shall include statistics relating  
18 to—

19 (1) the nature of crimes against individuals  
20 with developmental disabilities; and

- 1 (2) the specific characteristics of the victims of
- 2 those crimes.

Passed the Senate July 13, 1998.

Attest:

*Secretary.*
